

## Ward 8 POST Interview Questions

<b>Person Responsible</b>	<b>Question</b>
<b>Angela</b>	<p>Data provides transparency and it shows how well a school is performing. As parents, we want to make sure that the data is being used efficiently.</p> <p>How is your staff trained to use data to make changes within the school year to improve educational outcomes for all students?</p> <p>How is that information shared with families and students?</p>
<b>Catie</b>	<p>We want to make sure that all students excel in this school. We know that not all students will come in at grade level.</p> <p>What is your plan to accommodate and support students that enter the school year behind grade level?</p>
<b>Ameen</b>	<p>It is important as parents that we understand what is required of our children. But, we also want to understand the reason behind policies.</p> <p>If you require school uniforms, what is the philosophy behind it and how is the policy enforced? Are there any supports for families in that regards?</p>
<b>Reggie</b>	<p>We have learned that special populations not only include students with learning disabilities, but it also encompasses advanced learners.</p> <p>What is your plan to support advanced student learners?</p>
<b>Angela</b>	<p>After-school programs are very important to us as parents.</p> <p>What academic and non-academic after-school programs you can offer to meet the unique needs of military and Ward 8 families?</p>
<b>Catie</b>	<p>As parents, safety is a big concern to us.</p> <p>What is your plan to ensure that students travel to and from school safely? Regarding school day emergencies, how do you plan to notify families and what is your emergency response plan?</p>
<b>Ameen</b>	<p>We care a lot about how this project involves the greater community it will serve.</p> <p>How do you plan to seek talent from the military and East of the Anacostia River community?</p>

<p><b>Angela</b></p>	<p>As the Ward 8 POST, we have worked hard to create a RFP that reflects the needs of the military families and Ward 8 community.</p> <p>What flexibility do you have in your school model that allows you to address the unique needs of military and Ward 8 families?</p> <p>Sometimes it is difficult for students who come in at different points of school year and get incorporated into the project based learning structure, how is that going to work with military families?</p>
